‘We listen to **the Word** with humble reverence, anxious to understand it, and resolved to believe and obey what we come to understand.

We listen to **the world** with critical alertness, anxious to understand it too, and resolved not necessarily to believe and obey it, but to sympathise with it and to seek grace to discover how the gospel relates to it.’

**As you reflect on what's been said,
what are the 'shockers'**

(a phrase, word, image or something from what's been said
that resonates, stands out, or connects with you)

and what are the 'blockers'?

(something from what's been said that raises questions for you)

What's your question or comment for Christopher?
